

## Release Notes for April 22, 2002

The following items have been migrated to Production for use by Agencies beginning on April 22, 2002.

- The following fields on the HHS Retirements/Separations page have been modified. The Type of Claim filed is now required and must be entered. The Court Order field is now a yes/no field. The Voluntary Separation Incentive field has been changed to a yes/no field.
- The POI field appearing on the Work Location page of the Position Data page group is now required and must be entered.
- The Position Filled By field is now required and must be entered. This field can be found by clicking the Filling Position Data hyperlink on the Employment 1 page of the Administer Workforce page group.
- The NOA extension field has been modified so that it is no longer a drop down list but a search of only valid values for the particular NOA code entered.
- The Bank ID field on the Direct Deposits page and the General Deductions page now validate against the bank table.
- The field names on the Expiration Dates sub-page accessed by the Exp Dates hyperlink on the Employment 1 page of the Administer Workforce page group were modified.
- Modifications were made to the earnings codes tables and Service Agreements page to accommodate PSP processing.
- The HR Reviewer workflow role has been modified to allow the reviewer to initiate an action.
- The Transfer In Data hyperlink will now enable for the NOA 963.
  - **PROCESSING NOTE:** This can be used to capture transfer in TSP contributions.
- For conversion rows, the TSP election is now set to Waive if the employee is not enrolled in TSP.
- The Legal Authority ZAA is now valid for NOA 825.
- The Legal Authority VIP is now valid for NOA 850.
- The associated description for NOA 999 has been updated.
- The ST pay plan table now has values for Grade 00, with no steps instead of Grade 01.
- The description for Legal Authority N2M has been modified.
- A new table was created to add new values for NOA/NOA extension combinations.
- The Earnings Codes table has been modified to include locality, add to other pay, etc.
- The OT rates codes for LEOs and GSs in special pay tables have been modified.
- Delivered Peoplecode on GVT\_LOCALITY\_ADJ was changed to pick the max effective dated (max effdt) row.
- The T30 overtime code was modified for SPID 68 and not for 70.
